Width:

2.000 inches

Thickness:

0.020 inches

Length:

5.000 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

An/grc-106 mounting adjustment of cross arms adjust cross arm assembly as described in tm-11-520-12 paragraphs 18f, 18g, 18h, 18"partial legend" 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Red inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
