Width:

3.000 inches

Thickness:

0.020 inches

Length:

5.000 inches

Attachment Method:

Hole

End Application:

2350-00-116-9765 tank, combat, m60a1

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

"partial legend" data plate-historical overhaul/repair 1st side

Special Features:

Alternate inscription background color: dark blue

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
