Width:

1.000 inches

Thickness:

0.320 inches

Length:

3.120 inches

Basic Shape Style:

Trapezoidal

Material:

Aluminum alloy

Material Specification:

Qq-a-365, comp a, t3-cancelled federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
