Width:

0.750 inches

Thickness:

0.022 inches

Length:

2.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Part no.--- serial no.--- navsea---made in u.S.A 1st side

Color:

Black inscription background

Material:

Steel

Material Specification:

Aisi 302 assn standard 1st material response or aisi 304 assn standard 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
