Width:

0.620 inches

Thickness:

0.036 inches

Length:

1.750 inches

Attachment Method:

Adhesive and hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Drive motor 1st side

Features Provided:

Pressure sensitive adhesive tape

Criticality Code Justification:

Aybm

Color:

Natural inscription

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
