Width:

2.060 inches

Thickness:

0.030 inches

Length:

3.310 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

U.S. Navy navsea battery, mercury mk131 mod 0 10001-pl3192014 mfr---cont no.---date of mfg.--- 1st side

Features Provided:

Pressure sensitive adhesive tape

Criticality Code Justification:

Aybm

Color:

Red, federal standard 595, 21105 inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
