Width:

1.680 inches

Thickness:

0.125 inches

Length:

2.810 inches

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Lift---tilt 1st side

Criticality Code Justification:

Feat

Special Features:

Right hand

Material:

Aluminum alloy

Material Specification:

Qq-a-225/1, alloy 1100, h12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
