Width:

1.000 inches

Thickness:

0.003 inches

Length:

3.000 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

C11-2303040100 ser. No---contract: ---night vision sight, infrared an/tas-4d nsn 12 p/n 13265141 des act: 18876 us 1st side

Features Provided:

Pressure sensitive adhesive tape

Criticality Code Justification:

Aybm

Color:

Black, lusterless inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
