Width:

1.240 inches

Thickness:

0.030 inches

Length:

2.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Elevating mechanism equilibrated army part no. 19200-12576115 serial no.Mfr

Color:

Natural inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
