Width:

4.000 inches

Thickness:

0.020 inches

Length:

4.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Teledyne sprague engineering 19300 s. Vermont ave gardena, california code ident. No.89307 description---part no.---mfd.Date--"partial legend" 1st side

Color:

Blue inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h34 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
