Width:

6.380 inches

Thickness:

0.020 inches

Length:

7.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Nitrogen bottle recharge port nitrogen bottle press gauge, check valve, nitrogen storage bottles, hp n2 rel valve, shop air inlet"partial legend"

1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h34 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
