Width:

12.190 inches

Thickness:

0.020 inches

Length:

9.380 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Design 1st side and legend 1st side

Inscription:

Magnetic contactor terminal board circuit breaker pressure switch compressor motor

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
