Width:

1.023 inches

Thickness:

0.063 inches

Length:

2.360 inches

Attachment Method:

Adhesive

End Application:

2350-01-305-0028; m109a6

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Azimuth servovalve des. Act. 19200 mfr: --- part no. 12561758 rev---contract: daaa21-86-c-0023 ser.No.--- 1st side

Features Provided:

Pressure sensitive adhesive tape

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
