Width:

1.000 inches

Thickness:

0.050 inches

Length:

2.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Pump control access 1st side

Color:

White inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, 0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
