Width:

1.000 inches

Thickness:

0.003 inches

Length:

3.000 inches

Attachment Method:

Adhesive

End Application:

Digital display indicator

Basic Shape Style:

Rectangular

Features Provided:

Pressure sensitive adhesive tape

Special Features:

Material per mil-p-19834, type 1

Color:

Black inscription background

Material:

Aluminum

Material Specification:

Dms1674, class 1, type 1, mcdonnell mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
