Width:

0.630 inches

Thickness:

0.003 inches

Length:

2.000 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Government property hyx-78/tsec no. 98230 on231791-11 1st side

Features Provided:

Solvent activated adhesive tape

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
