Width:

0.750 inches

Thickness:

0.020 inches

Length:

1.700 inches

Attachment Method:

Hole

Marking Designation:

Legend

Inscription:

Part; series; serial; mod record; trade mark per s9806-3

Special Features:

Qq-a-250/2 condition h14

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
