**Width:**

4.940 inches

**Thickness:**

0.063 inches

**Length:**

1.000 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular w/tab at each end

**Marking Designation:**

Legend

**Inscription:**

W 415r378h01

**Special Features:**

Shape is rectangular with beveled coners

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/8, alloy 5052, h32 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
