Width:

4.940 inches

Thickness:

0.063 inches

Length:

1.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/tab at each end

Marking Designation:

Legend

Inscription:

W 415r378h01

Special Features:

Shape is rectangular with beveled coners

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h32 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
