Width:

1.310 inches

Thickness:

0.020 inches

Length:

3.250 inches

Attachment Method:

Hole

Marking Designation:

Legend

Inscription:

Caution radioactive material controlled disposal required tritium h-3 --- date of mfr --- p/n --- if found return to nearest military activity

Color:

Gray inscription

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
