Width:

1.060 inches

Thickness:

0.020 inches

Length:

1.440 inches

End Application:

Pacer dawn

Basic Shape Style:

Rectangular

Inscription:

Partial legend brake control module assembly no 6004976 rev --- contr --- idf specification ac8-40-006 c1 1141330 maximum op volt 28 vdc
maximum op press 3000psi hydr fluid per mil-h-5606 aircraft bra single side

Special Features:

Goes on the brake control valve assembly

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
