Width:

0.375 inches

Thickness:

0.003 inches

Length:

3.600 inches

End Application:

Pacer dawn

Basic Shape Style:

Rectangular

Inscription:

17863 assembly --- module assembly- --- serno --- caution this assembly is sensitive to damage by es disch use precautionary measures when handling (esd symboldepiction) single side

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
