**Width:**

133.0 millimeters

**Thickness:**

0.051 inches

**Length:**

181.5 millimeters

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend

**Inscription:**

Battery interconnect diagram 4 b attery configuration warning turn battery switch off before service maintenance partial legend

**Color:**

Yellow inscription background

**Material:**

Aluminum alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**
