**Width:**

2.000 inches

**Thickness:**

0.024 inches

**Length:**

0.875 inches

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend

**Inscription:**

Electric fuel pump

**Color:**

Black inscription

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1, alloy 1100, h14 federal specification 1st material response or qq-a-250/1, alloy 1100, h24 federal specification 2nd material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
