Width:

2.000 inches

Thickness:

0.024 inches

Length:

0.875 inches

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Electric fuel pump

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification 1st material response or qq-a-250/1, alloy 1100, h24 federal specification 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
