Width:

1.800 inches

Thickness:

0.030 inches

Length:

1.180 inches

Attachment Method:

Hole

End Application:

F15s 68a58000

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Special Features:

Character height .094 min

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2, class 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
