Width:

1.500 inches

Thickness:

0.003 inches

Length:

0.880 inches

End Application:

Pacer dawn

Basic Shape Style:

Square w/rounded corners

Inscription:

Partial legend warranty this item warranted for 365 days. Warranty terminates --- /process defective ite (s) under para. 134, sec j, chap

Special Features:

Yellow background fed-std-596 color no. 13655

Color:

Green, federal standard 595, 14187 inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
