Width:

0.800 inches

Thickness:

0.020 inches

Length:

2.260 inches

End Application:

C130-j hercules acft

Basic Shape Style:

Rectangular

Product Name:

Pilot and copilot circuit breaker panel

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
