**Width:**

0.800 inches

**Thickness:**

0.020 inches

**Length:**

2.260 inches

**End Application:**

C130-j hercules acft

**Basic Shape Style:**

Rectangular

**Product Name:**

Pilot and copilot circuit breaker panel

**Color:**

Black inscription background

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/2, alloy 3003, h14 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
