Width:

6.120 inches

Thickness:

0.020 inches

Length:

2.440 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Product Name:

Nameplates - aft fus junction box, fus sta 687.0 I.H. Lower

Special Features:

7 cutout per design standard ds98

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
