Width:

2.250 inches

Thickness:

0.020 inches

Length:

1.320 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Line 1 pin a 28 vdc, line 2 pin b 115 vac, line 3 (380-420hz), line 4 pin c 115 vac, line 5 (380-420hz), line 5 pin d common gnd

Product Name:

Nameplate - pin count

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
