Width:

5.000 inches

Thickness:

0.063 inches

Length:

2.690 inches

Attachment Method:

Hole

End Application:

3810-01-448-2619, truck mounted crane

Basic Shape Style:

Rectangular w/notched corners

Marking Designation:

Legend

Inscription:

Oil sampling valves transmission engine open open

Color:

White inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
