Width:

1.000 inches

Thickness:

0.020 inches

Length:

3.000 inches

End Application:

Harrier gr7

Basic Shape Style:

Rectangular

Inscription:

Door, ldg gr, acft, aft, nose; 76301 75a460002-1005 single side

Product Name:

Plate, id - door, ldg gr, acft, aft, nose

Special Features:

Use - to prevent inadvertent deployment of lids fence

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
