Width:

7.180 inches

Thickness:

0.032 inches

Length:

0.800 inches

End Application:

5999-01-225-5713

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend

Special Features:

Used on patriot

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h34 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
