Width:

1.750 inches

Thickness:

0.031 inches

Length:

0.578 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

1st inscription: cool pump assembly; 2nd inscription: serial; 3rd inscription: stock; 4th inscription: u.S. Co ct 1st side

Features Provided:

Reflective surface

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
