Width:

5.750 inches

Thickness:

0.020 inches

Length:

9.500 inches

Attachment Method:

Hole

End Application:

3510-01-463-0114

Marking Designation:

Legend

Inscription:

Burner fuel pressure (p1304) fuel pump pressure (p2303) fulton thermal corporation serial no. --- national board no. ---

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
