Width:

1.250 inches

Thickness:

0.020 inches

Length:

0.500 inches

Attachment Method:

Adhesive

End Application:

Oskosh truck, hct ds 2475

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

24 vdc

Features Provided:

Removeable protective backing

Product Name:

Label receptacle, al

Special Features:

Subassembly is oskosh truck p/n 3345836; background color is black

Color:

White inscription

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
