Width:

1.030 inches

Thickness:

0.020 inches

Length:

2.520 inches

End Application:

M18a1

Basic Shape Style:

Rectangular

Material:

Aluminum alloy or aluminum

Material Specification:

A93003, h14 assn standard 1st material response or qq-a-2, h24 assn standard 1st material response or astm b209, h24 assn standard 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
