Width:

1.000 inches

Thickness:

0.032 inches

Length:

3.000 inches

Attachment Method:

Hole

End Application:

Patriot

Basic Shape Style:

Rectangular

Inscription:

Converter, frequency electronic-up single side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
