Overall Length:

2.530 inches

Body Length:

1.500 inches

Environmental Protection:

Mildew resistant and corrosion resistant and water resistant and solvent resistant

End Application:

Coolant pump

Special Features:

Material, irradiated, thermally stabilized, modified polyolefin compound

Color:

White

Style Designator:

Slot and notched tongue

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529t0
