Width:

0.620 inches

Thickness:

0.032 inches

Length:

1.880 inches

Attachment Method:

Hole

End Application:

Hawkeye aircraft, e-2c

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Input filter

Color:

Black, lusterless inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
