Width:

0.584 inches

Thickness:

0.020 inches

Length:

0.713 inches

Attachment Method:

Hole

End Application:

Arc-164 system

Basic Shape Style:

Square w/rounded corners

Special Features:

Two mounting holes, 2x0.094 thru; 0.408 distance between mounting holes; marking to be illuminated etched white futura dembold per mil-m-18012

Color:

White, federal standard 595, 37875 inscription

Material:

Plastic methyl methacrylate

Surface Treatment:

Enamel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
