Width:

2.420 inches

Thickness:

0.020 inches

Length:

3.070 inches

Attachment Method:

Adhesive

End Application:

Oe-170e

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Special Features:

Plate is photosensitive. Linework to be black on frosted background

Color:

Black inscription

Material:

Aluminum

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
