Width:

1.060 inches

Thickness:

0.025 inches

Length:

2.460 inches

Attachment Method:

Hole

End Application:

Australian government

Basic Shape Style:

Rectangular

Marking Designation:

Legend single side

Inscription:

Valve oil tem.Reg --- mass. Single side

Product Name:

Nameplate, valve

Special Features:

Nameplate has rounded edges

Color:

Black single side inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-561 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
