Width:

3.250 inches

Thickness:

0.003 inches

Length:

7.250 inches

End Application:

Part number 75a460100

Basic Shape Style:

Rectangular

Product Name:

Plate, instruction - brake accumulator service

Color:

Black single side inscription background

Material:

Aluminum

Material Specification:

Mms 901 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
