Width:

2.140 inches

Thickness:

0.020 inches

Length:

5.850 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend single side

Inscription:

Align here prior to air transport single side

Special Features:

Drawing number: 74d291039; next assembly number: 74d291011

Material:

Aluminum

Material Specification:

Qq-a-250/1 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
