**Width:**

3.000 inches

**Thickness:**

0.020 inches

**Length:**

1.000 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Square w/rounded corners

**Special Features:**

Next assembly number: 74d290154

**Material:**

Aluminum

**Material Specification:**

Qq-a-250/1 federal specification all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
