Width:

1.120 inches

Thickness:

0.020 inches

Length:

2.400 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Special Features:

Drawing number: 74d291039; next assembly number: 74d291011

Material:

Aluminum

Material Specification:

Qq-a-250/1 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A528w0
