Width:

0.600 inches

Thickness:

0.012 inches

Length:

2.500 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Special Features:

Photosensitive

Material:

Aluminum

Material Specification:

Gg-p-455, type 1, class 1, grade a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
