Width:

0.625 inches

Thickness:

0.062 inches

Length:

3.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Inscription:

Ebx6 single side

Product Name:

Name plate

Color:

White single side inscription

Material:

Copper alloy and nickel

Material Specification:

81349-mil-b-895a military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-b-895a spec.
